1. CONTEXT OF THE ROLE:

PURPOSE OF THE JOB

To provide an excellent customer experience on board Merseyrail trains by providing onboard customer care, information, communication, revenue protection, security and ensuring that the train environment and presentation meets the customers' needs. In addition to this, you are responsible for the punctuality of the train, reporting delays or anything that could affect the train running to the scheduled timetable and ensure the safety of all your customers and colleagues on or about the rail network.

JOB ACCOUNTABILITY

- Accountable for the customer experience for all passengers on-board Merseyrail Trains
- Accountable for the punctuality of the service and the reporting of delays
- Accountable for the safety of customers and colleagues when dealing with emergency and out of course situations.
- Accountable for ensuring all public address announcements are being made to customers using either the equipment provided or ensuring the PIS function (Passenger information screen) is displaying the correct information.
- Accountable for the checks of the platform to train interface

2. ROLE ESSENTIALS

DECISION MAKING AUTHORITY

- Duty of care for all customers, colleagues they interact with whilst in the course of their duties.
- Dealing with emergency/out of course situations.
- Reporting of real time delays which can affect the train running, utilising any equipment provided.

MOST CHALLENGING/DIFFICULT PART OF THE JOB

- Ensuring an excellent customer experience on board Merseyrail trains.
- Dealing with emergency and out of course situations in accordance with the rule book and local instructions.
- Ensuring all passengers are kept informed of any delays affecting the network within reasonable timescales.

PRINCIPLE ACCOUNTABILITIES

- Ensure that all duties are carried out in accordance with the Safety Responsibility Statement for the post of Train Manager.
- Manage the on-train customer experience consistently by providing onboard customer care, communicating information to customers, checking tickets, and ensuring that the presentation and environment meets the customers' expectations.

Non-Management Job Description

- Always ensure the operational safety of the train by checking the platform to train interface at each station which includes managing the risks that could be present at the platform train interface. (PTI)
- Deal with out-of-course and emergency situations in accordance with the Rulebook and Merseyrail procedures.
- Be a professional Train Manager by complying with all aspects of the Professional Train Manager Policy
- Proactively complete reports for ticketless travel, anti-social behavior, delays and in the event of out-of-course situations taking place.

KEY SAFETY ACCOUNTABILITY

Safety is everyone's responsibility within Merseyrail. You're responsible for your safety and the safety of others such as colleague's and passengers. As an employee you're expected to understand and apply our safety values and ensure they are visible in all you do.

EXPERIENCE, KNOWLEDGE, QUALIFICATIONS AND TRAINING

- Excellent communication and organisational skills
- Ability to manage the customer experience on board Merseyrail trains
- Ability to deal appropriately with difficult/stressful/potential conflict situations.
- Ability to work alone and as part of a team
- Ability to communicate information to customers in a professional manner.
- Ability to meet shift-working requirements, including Sunday working
- Ability to attain the appropriate competence standards of a Train Manager and to retain that competence bi-annually
- Good standard of Education: - GCSE/or equivalent, in Math's & English- minimum Grade 9-4

3. BEHAVIOUR ESSENTIALS
